

THE  
*East Gwillimbury*  
WOMEN'S SHOW

Saturday April 27, 2019

The East Gwillimbury Women's Show is a "can't miss" opportunity for your business to promote your unique products or services to the women who are attending the show. In addition, all proceeds from the event will be directed to the Southlake Hospital Regional Cancer Center. To date over \$75,518.00 has been raised for Southlake from the past 6 shows.

The show is being held Saturday April 27, 2019 at the Holland Landing Community Center (19513 Yonge Street, Holland Landing, ON, L9N 1L8) from 10am until 4pm. In past years, a large crowd was waiting for the doors to open well before 10am, and we expect the same for this show. This year our goal is to raise enough money to purchase a Radiation Dosimeter: Protect people from radiation and limit access to dangerous areas. - \$11,200 and a Prone Breast Radiation System created with a focus on ensuring patient comfort, re-positional accuracy and simplicity in use - \$7,100.

### WE NEED YOUR HELP!

#### Silent Auction

The auction has been a large contributor to the funds raised for Southlake as well as a great way for businesses to show off their products, as all guests must walk past the auction table to enter the show and we are making the auction available online. If your business would like to donate to the auction a charitable letter will be given for the full value of the item or service. We will also promote your business and item in our social media. Please fill out the attached donation form. Items need to be collected no later than March 15, 2019 along with logo to be included on the thank you banner.

#### 300 Gift Bags

The gift bags are a huge enticement as guests very much look forward to taking one home. This is an ideal way to get your business information into the homes of 300 local women. Your business name will be noted in our social media. Samples, coupons, tangible items, pens, magnets are some of the common items found in our gift bags

Any Contributions are greatly appreciated and help with our fundraising goals!
